

Information for patients attending appointments

If you have any Coronavirus symptoms please cancel your appointment

Please keep to the 2 metre social distancing rule

To avoid overcrowding in waiting areas arrive 5 mins before your appointment

Please attend alone or with one other person if necessary (where possible friend or family to return to car or wait outside)

You must wear a face mask or face covering when you are inside our health centre

Wash hands regularly using the hand gels or soap and water available

Follow the directions to your waiting area

Sit in the allocated areas and seating

There will be signs and information at each health centre

Please make yourself aware of these when you arrive and follow all instructions
